

# J. MOSS

## 2019 Napa Valley Cabernet Sauvignon

**Harvest Date:**

October 2019

**Vineyard Appellation:**

Napa Valley, CA

**Varietals composition**

88% Cabernet Sauvignon

8% Merlot

4% Malbec

**Alcohol** 14.4%

**pH** 3.798 **TA** 6.9 g/l

**Aging:**

28 months on 85% French Oak and  
15% American Oak

(50% new oak & 50% one year old  
barrels)

**Proprietor / Winemaker**

James W. Moss

**Case Produced**

450

**The 2019 Vintage**

The 2019 vintage had a moderate weather growing season with a late bud break with veraison not ending until early August in some areas of the valley. Autumn brought hot days and cool nights which helped push the grapes to full ripening, while preserving their acidity. As a result, the wines produced from this vintage are rich, full and robust in flavor with deep rich color.

**Winemaking**

The grapes were hand-harvested in early October in the early morning when temperatures often dip to 50°F – to capture vibrant acidity and fruit expression in the wine. They were destemmed into small one ton open top bins while keeping the grapes cold by cold-soaking them for 4 days for gentle extraction of color and then fermented. During fermentation the grapes were carefully hand-punched down a couple times a day to develop a deep color, rich varietal characteristic and fine tannins. Once fermentation was complete and the wine was dry, the wine was pressed to barrels. Each barrel was hand racked three times and bottled with techniques that ensure maximum protection for aging cellar-worthy collector caliber wines.

**Tasting notes**

The medium to full bodied Cabernet Sauvignon has bright, juicy, rich and robust flavors of black berries, dark cherries with hints of chocolate and toasted cedar. This beautiful structured wine has soft to medium tannins that leads you into a juicy finish that will have you wanting more.
